

TOGETHER WE PRAY – OCTOBER 8 2017

Bidding: Your kingdom come

Response: **Your will be done**

Great God, you have given us timeless commandments to live by, that we may remember and revere you as Lord; that we may build a community of respect and honour, a society of trust and honesty. Help us to uphold your laws and work towards making them a reality in our world.

Your kingdom come

Your will be done

Loving Father God, you call us to live by faith in your Son, who taught and perfectly fulfilled your law in his life of love. Teach us, dear One, to serve you humbly, give generously and love extravagantly.

Your kingdom come

Your will be done

Gracious and patient God, you have included us in your vineyard and entrusted us with day by day tasks. You have given us common sense and skills to do what you ask, along with a vision to work towards a harvest of justice and peace. Help us to support our Bishops, Justin and Elle, our clergy and chaplains in their leadership roles. Deepen our compassion for those who are sick.....mourning..... have no work to do..... or too much to accomplish.

Your kingdom come

Your will be done

“God, give us work till our life shall end, and life till our work is done.”

(Prayer Book)
