

TOGETHER WE PRAY – Jan 21 2018

Bidding: According to your Word

Response: **So let us live**

Dear God, it is early in this new year. Help us to let go of old ways that were too comfortable. Free us from mindless habits, from clutter that is past its “use by date”. Show us how to drop unhelpful attitudes that block our usefulness in your kingdom. Give us courage, Lord, to let go, thankful for what has been, ready to grasp the changes and chances you offer in 2018.

So let us live

Jesus, you are Good News in Person, yet with humility and patience you waited for the right time to begin your public ministry and gather your team. Grant to us, your 21st century team, the wisdom to wait, the intuition to step out, the obedience to fulfil your longings. Compel us to turn away from destructive ways and turn to you in trust and loyalty.

So let us live

Lord Jesus Christ, we believe you are Good News of healing for those who are ill.....Good News of comfort for those who are mourning.....
Good News of peace for those in turmoil.....forgiveness for those burdened with guilt..... We believe.

According to your Word

So let us live

Jesus, Redeemer, we thank you that you can use each one of us – ordinary people – in your extraordinary mission of love. Day by day, you walk with us and call us to follow. You entrust us with responsibilities and invite us into a deep and lasting friendship with you.

So let us live.
